

TRANSITION ISLAND

Isle of Wight

- Do you grow your own Vegetables?
- Do you commute to the Mainland?
- How many cars does your family have?
- Are you concerned about Climate Change and Peak Oil?
- Just how resilient is the Island to Oil Shortages?

All this and more can be discussed at the

TRANSITION TOWN MEETINGS

Help prepare *your* Town or Village for Peak Oil & Climate Change

Invite us to your Town or Village for a public meeting on:

Transition Town Initiatives: What other places are doing.

Documentary Film Show: “The Power of Community” records how Cuba coped when it was forced into an artificial ‘Peak Oil’ situation when Russia stopped exporting oil to them.

Open Space Discussion: Collect questions, ideas, offers of help, ideas from other places... begin a process of preparation.
